3	THE COURT: Calling case number 19-2340SM,
4	People versus Jonathan Vanderhagen.
5	MR. DEBRUIN: And Dan Debruin on behalf of the
6	People your Honor.
7	MR. SOMBERG: Good morning your Honor, Nicholas
8	Somberg on behalf of Jonathan Vanderhagen.
9	THE COURT: Podium. You can come up to the
10	podium. Good morning.
11	MR. SOMBERG: Good morning.
12	THE COURT: You know what we might not have
13	picked you up back there. Your appearance again.
14	MR. SOMBERG: Nicholas Somberg on behalf of
15	Jonathan Vanderhagen who's present.
16	THE COURT: All right this is up today for a
17	pretrial. It was scheduled for a motion on Monday.
18	MR. DEBRUIN: Yes your Honor.
19	THE COURT: But we were closed because the power
20	was out. And you talked to the prosecutor and we want to
21	set it for a jury trial is that correct?
22	MR. SOMBERG: That's correct your Honor.
23	THE COURT: All right let's do that first. I'm
24	going to close the pretrial. We're going to set this for
25	a jury trial. My next jury selection is August 9 <sup>th</sup> . Any

Clinton Township, Michigan

3	MR. SOMBERG: I think I'm going to be I know						
4	I'm going to be in trial that day your Honor. You said						
5	August 9 <sup>th</sup> ?						
6	THE COURT: August 9 <sup>th</sup> .						
7	MR. SOMBERG: Yeah I'm going to be in trial.						
8	THE COURT: Well, my next jury selection isn't						
9	until November, but I don't want to wait that long and I						
10	don't think you're going to want to wait that long. So						
11	I'm going to have to piggyback on one of my colleagues						
12	jury's. So we can either do I think						
13	COURT CLERK: You're here September 13th for						
14	sentencing's.						
15	THE COURT: That's what I'm thinking, September						
16	13 <sup>th</sup> and you're going to need to make that one work						
17	counsel.						
18	MR. SOMBERG: I can make it.						
19	THE COURT: So we're going to set it for a jury						
20	selection on September 13 <sup>th</sup> at 8:30 a.m. And now let's						
21	address this motion.						
22	MR. DEBRUIN: And your Honor this was a motion,						
23	an emergency motion filed by the People. We wanted to						
24	have this heard on Monday but obviously the court didn't						
25	have power and was unable to do that. Your Honor the						

objections to setting it on the 9th?

MR. DEBRUIN: None.

defendant continues to try to in our opinion intimidate and harass the people that started this against him.

THE COURT: If you could move over where I can see you please.

MR. DEBRUIN: Yes. I'm just trying to stay by the microphone at the same time.

THE COURT: Right.

MR. DEBRUIN: Continues to post about being mistreated by the system even though they acted well within their right and making decisions that they thought were proper. Specifically included in my exhibits your Honor, I want to draw to the court's attention three items in exhibit two, where he talks about big things happening behind the scenes. We are God's soldiers. And then additionally in exhibit three, he has a posts that says judgment day. That along with the initial post, which pictured him with a shovel with the initials RR and MD on it that led to us pressing the original charges, we feel is a continued attempt to try to intimidate and harass and maliciously use a telecommunications device.

THE COURT: So I get the RR. The MD is what?

MR. DEBRUIN: The MD is -- I'm not 100 percent

sure of who the MD is. But I have some theories. We know

who the RR is and that's Judge Rancilio.

THE COURT: And these were posted after the no

1	contact						
2	MR. DEBRUIN: Yes.						
3	THE COURT: provision was put in place.						
4	MR. DEBRUIN: Yes.						
5	THE COURT: So it looks like he was arraigned on						
6	July 11 <sup>th</sup> of 2019 and there was a no contact.						
7	MR. DEBRUIN: Correct.						
8	THE COURT: What is the date of this post, do we						
9	know?						
10	MR. DEBRUIN: That's the July 8 <sup>th</sup> .						
11	THE COURT: This was a post on Facebook am I						
12	correct?						
13	MR. DEBRUIN: Correct.						
14	THE COURT: And when was it posted?						
15	MR. DEBRUIN: That was July 8 <sup>th</sup> .						
16	THE COURT: It was July what?						
17	MR. DEBRUIN: 8 <sup>th</sup> .						
18	THE COURT: So it was before the						
19	MR. SOMBERG: Yes your Honor.						
20	THE COURT: He was arraigned on July 11 <sup>th</sup> .						
21	MR. DEBRUIN: Correct that was the initial						
22	THE COURT: Oh that's the initial						
23	MR. DEBRUIN: for the arraignment.						
24	THE COURT: charge.						
25	MR. DEBRUIN: Correct.						

1	THE COURT: So what was the bond violation, what
2	happened after the bond was set on July $11^{ m th}$ .
3	MR. DEBRUIN: So he continued to post and then I
4	included that in my exhibits.
5	THE COURT: I have the motion and I have the
6	exhibits.
7	MR. DEBRUIN: Yes.
8	THE COURT: So exhibit one was for the original
9	charge correct?
10	MR. DEBRUIN: Exhibit one was for the original
11	charge.
12	THE COURT: And then exhibit two is what, when
13	was that?
14	MR. DEBRUIN: Exhibit two started everything
15	that was included after
16	THE COURT: So all these posts that are after
17	that in exhibit two were after the bond was set?
18	MR. DEBRUIN: Correct.
19	THE COURT: And these are the bond violations
20	MR. DEBRUIN: Correct.
21	THE COURT: that are so exhibit two and
22	then there's exhibit three.
23	MR. DEBRUIN: Correct.
24	THE COURT: And I have reviewed them. And
25	MR. DEBRUIN: And it's specifically July 13 <sup>th</sup>

your Honor, this would be included in exhibit two. That's where he mentions big things are happening behind the scenes and we are God's soldiers.

THE COURT: Care to respond counsel?

MR. SOMBERG: Yeah your Honor I mean, first of all this is probably been one of the most awful cases I've ever had to defend somebody in. Mr. Vanderhagen's -the system isn't perfect and the system failed him two years ago and he tried to tell the Judge and the People that his baby's mother was not a good person, was using drugs. Nobody listened to him and his son died okay. Since the two years ago, there is literally thousands of posts speaking out against Friend of the Court, speaking for his son, Justice for Killian. He's an artist. There's all his very you know artistically well done images of exposing the truth and you know he has an absolute constitutional right to redress his grievances against the government publically. These posts if you read them they're about his son. They're about digging up the truth. That's what the shovel is digging up the truth. It's about exposing at least what he feels that he has been wronged by the system. There's no threats. There's no reaching out to Judge Rancilio. There's been no contact. There's no inadvertent messages. All the messages after the no contact are all very innocuous,

there's things going on behind the scene. So what. Maybe that's hiring an attorney okay. So what. Every one of these exhibits are innocuous, are irrelevant, are not threatening, are not harassing or not intimidating in any way whatsoever. And I would make the argument that he can say F the Judge, F the President of the United States. I mean you have the right to say that stuff. There's no threat here your Honor. Their motion should be denied outright. He's on a 10,000 10 percent bond right now.

THE COURT: Final rebuttal.

MR. DEBRUIN: Just in response your Honor. Yeah I mean you can say those things, generally speaking, but not when you have a court order already against you prohibiting you from doing those things. Now when you do those things, when a court order is in place, you're disobeying the court's rules in regards to what is being ordered and asked of you. My understanding of the court's order is that there's a no contact provision with the judge -- with people. I'm uncertain of whether or not the court order that he be able to use electronic devices, is that the case your Honor?

THE COURT: Open this file Jan. We almost always do, when we do a no contact, we say no social media or anything like that. But I'm going to double check that. It's file 19-2340SM, People versus Jonathan Vanderhagen.

COURT CLERK: Basically it's just no contact with complaining victim, no weapons, no purchase of firearms.

MR. SOMBERG: There's been no contact your Honor. We can go exhibit by exhibit.

THE COURT: Look, two things, one you talk about First Amendment and freedom of speech. There are limits to that. There cannot be anything of a threatening nature. You can't yell. They used the example, the famous case, you can't yell fire in a public place or movie theater, something like that. We're talking about threatening a sitting Circuit Court Judge is the original allegation against Mr. Vanderhagen. When there's a no contact, it's no contact directly, indirectly or social media. These are all though he likes to hint around the fringes of it, in my opinion they are of a threatening nature after the no contact was put in place.

MR. SOMBERG: Which exhibit is it threatening? THE COURT: Exhibits two and three.

MR. SOMBERG: Okay.

THE COURT: Okay. You have them correct? You have the exhibits. I need an answer to that.

MR. SOMBERG: Exhibit two with a snoopy picture where it says his son's name in the batman logo?

THE COURT: Look, we've already gone over the

things that were said that in my opinion are violations of the no contact.

MR. SOMBERG: Okay, I'm just trying to create a record your Honor.

THE COURT: Yeah go ahead.

MR. SOMBERG: So in exhibit two --

THE COURT: There's several of them.

MR. SOMBERG: There are several -- it says at the post everything we predicted, plotted and planned for is about to come full circle, little do they know they gave us exactly what we wanted. Our stepping stone is here and justice league is formed with a picture of snoopy and batman. Batman's the theme with his son.

THE COURT: They speak for themselves so --

MR. SOMBERG: And in your opinion that is --

THE COURT: We're going to have them -- they are already in the record because there a motion and there exhibits to the motion.

MR. SOMBERG: And also with exhibit two, it's a picture of I got a really poor exhibit, it looks like it's a picture of my client and his son. It says remember my son, never judge a book by its cover. What's on the inside is truly what matters.

THE COURT: You can sit there and read every one of them if you want but there already part of the record.

22

23

24

25

MR. SOMBERG: I understand that your Honor but you just said that you found the exhibits to show that they are threatening in nature. I'm just asking what --

THE COURT: Correct --

MR. SOMBERG: -- is threatening about them.

THE COURT: -- because there alluding to Judge Rancilio and I'm not going to sit here and explain it any further. But here's what I am going to read and what is also put in LEIN. Do not harass, intimidate, beat, molest, wound, stalk, threaten or engage in any other conduct that would place any of the following persons or a child of any of the following person's in reasonable fear of bodily injury, spouse, former spouse, individual with whom the defendant has a child in common, resident or former resident of the household. Do not assault, harass, intimidate, beat, wound or threaten the following persons, Rachel Rancilio. And in my opinion, he's violated that. I'm raising the defendant's bond to 500,000 cash surety. I'm continuing the no contact. It means direct or indirect contact. And I'm also going to order a mental health evaluation while he's incarcerated at the Macomb County Jail. So we'll let him make some phone calls to try and post the bond but the bonds raised. So have a seat right over there Mr. Vanderhagen.

MR. DEBRUIN: Thank you.
